January 2013

## Chaos at the IRS

Many of you may have heard in recent news reports that because of the late passage of the law to avoid the "fiscal cliff" the Internal Revenue Service will not be able to process tax returns until after January 30, 2013. We want you to be assured that even though the IRS will not be working, KKAJ is. As soon as we have your information (tax organizer), we will prepare your returns. By getting your information in early, you will know your refund amount or amount due sooner and ensure that your tax returns are ready to be filed as soon as the IRS will accept them.

Because of the law changes, tax compliance will be more complicated than ever. It is imperative that you do not delay in getting your information to us. If you would like further information, contact the KKAJ tax and accounting professionals at (818) 848-5585 or (661) 705-4222.
