KKAJ Named a "Best Places to Work in Los Angeles"

Rankings for the *75 Best Places to Work in Los Angeles* were unveiled at an awards luncheon on August 9. KKAJ earned the distinction of making the list in the Small Companies category (15 - 49 employees).

The Best Places to Work in Los Angeles is an annual celebration of elite employers who have proven that they know what it takes to create environments where people love to come to work. Identifying and recognizing these outstanding workplaces is a joint effort of the Los Angeles Business Journal and Best Companies Group.

The presenting companies cited KKAJ's guiding principles and core values, which include trust, respect, quality and loyalty, as attributes instrumental in the workplace. It was further noted that KKAJ maintains a friendly atmosphere, extensive benefits, long-term client relationships, and a wide variety of experience for professionals at all levels.

"We're extremely proud to be named one of the best places to work in Los Angeles," said Louis Hamel, a partner at the firm since 2006. "We believe that our people are our greatest asset, and so we've tried to build a working environment that supports our wonderful team of professionals. I think this award shows that we've been successful in doing that."

A complete results listing is available in a special edition of the *Los Angeles Business Journal*, August 15, 2011 edition.
